4. Reports

- **Supervisor Report**

- Attended all day MTA training in Mt. Pleasant.
- Attended first fire authority meeting as supervisor and representative of Standish Township.
- Met with Warren, Karen, and Steve from MFCI Financial. Discussed factors driving the cost of sewer/water rates and were potential savings could be attained.
- Met with the City of Pinconning Manager Becky Lakin to discuss ways we could possibly alter the sewer contract and reduce the cost to Whites Beach property owners.
- Completed the training for the Bergman Grant.
- Met with Arthur Hadley Ives (EPA) and Todd Narlock (Fleis and Vandenbrink) to talk about the grant and how it can be used.
- I did a lot of research on wages and fees in surroundings and comparable townships.
- Started working on the 2025 fiscal year budget. I am not as far as long as I would like to be at this time. Ideally, I would like to present a proposed budget in January, have a public hearing in February, then approve the budget in March. This is not feasible this year due to being new and trying to figure out a lot of things. At this point, I will look to present a proposed budget in March and hold a public hearing after that. Then approve the budget or possibly a special meeting later in March to approve if needed.
