

May 7, 2026

Independent Bank is entering into an agreement with Standish Township for the purpose of collecting Current Property Tax payments.

The updated requirements of the agreement are listed below.

- Standish Township tax payments may be made only at the Standish Independent Bank located at 209 S Main St., Standish MI 48658.
- Residents must have their current tax billing with attached coupon to make a payment.
- Payments may be made with cash or checks. Checks must be payable to Standish Township for the exact amount.
- No partial payments will be accepted.
- Tax payments will only be accepted during bank branch hours. If a payment is placed in the night drop, it will be posted the next business weekday (Monday – Friday).
- Tax coupons are 2 part and perforated. Independent Bank staff will date/bank stamp both halves of the tax billing, returning the detail side to the property owner and will retain the coupon half for the township.
- The tax payments coupon and copy of checks will be retained for pick up by Standish Township.
- Payments will be refused if even 1 day late. Bank staff are to refer them at that time to the Standish Township office.
- If pennies are unavailable to give exact change back to the resident, Independent Bank can round down to the nearest five cent increment and consider this full payment.
- This agreement is subject to annual review by both Standish Township and Independent Bank.

Signed:

Tara L Marczak
AVP Bank Manager
Independent Bank

Constance Proulx
Treasurer
Standish Township
