

## RESOLUTION NUMBER: 2026-03

### A RESOLUTION AUTHORIZING THE USE OF A COMPUTERIZED DATABASE AS THE TAX ROLL

**WHEREAS**, Public Act 112 of 1990, permits the assessing officer of the local tax collecting unit to prepare data from his/her assessment roll and export to the treasurer for use in preparing a tax roll, and for the collection and accounting of property taxes by the treasurer. The tax roll is prepared and maintained by a computer system and its software, when the system and the procedures that are followed adhere to the requirements of Public Act 112 of 1990, and

**WHEREAS**, the BS&A data processing software used by Arenac County, and Arenac County Equalization, and Arenac County Treasurer, has been demonstrated to be compatible with the BS&A tax administration software used by the Township of Standish.

**NOW THEREFORE BE IT RESOLVED**, that the Township of Standish approves the request for authority to use a computerized database as the tax roll, and authorizes the Treasurer and Assessor to sign on behalf of the local unit, the "Request for Approval of Computerized Tax Roll By a Local Unit" form to be forwarded to the Michigan Department of Treasury State Tax Commission, by the Arenac County Treasurer.

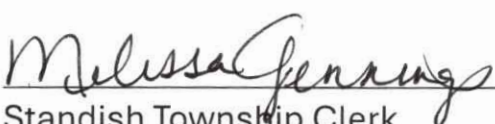

Motion by Cardinal, supported by Jennings,  
to adopt Resolution Number 2026-03.
