To Whom It May Concern:

In compliance with the stipulation agreement entered into between the Saginaw Chippewa Indian Tribe and the State of Michigan, the Tribal Council concluded the review of all proposals submitted for consideration of funding, equal to 2% of the net win from Class III electronic games for the period ending March 31, 2025.

The process of review and consideration consisted of reviewing two hundred-fifty-nine, (259), applications. Although all applications received consideration based on merit, the Tribal Council appropriated funds based on need and community impact. The Tribal Council approved funding in the amounts indicated for the following proposals and services administered by or through your government:

Standish Township		
5367	cemetery	\$15,000.00
5610	road improvements	\$25,670.00
5611	road side mowing	\$2,315.00
		\$42,985.00

It is the Tribe's position that the allocated funds will be utilized and disbursed based on the proposals as submitted. If it becomes necessary to modify any of the approved projects, we require that you notify the Tribe in writing for approval.

Enclosed with this letter is an agreement to comply with the above stated conditions for the use of this donation. Please sign the agreement and fill in any other required information and return it me.

If you should have any questions regarding these allocations, please feel free to contact Jacqueline Reger, Senior Comptroller, at 989/775-4042, or myself. Thank you.

Sincerely,

Tim J. Davis, Tribal Chief
